

CIRCULAR

23/11/2009

It is observed that most of the outstation applications received along with the Bank challans do not carry proper information about the payment details. The challans are forwarded without the details of members name or members ID. Please note that copies of all challans submitted must carry the name of the applicant or the distributors and the application Number. Challan received without the details shall be kept in abeyance and the applications will not be processed for members.

Co operation of all requested.

It is observed that a lot of applications are being received during the last minute of promotions and to our surprise the basic details like Address with Pin Code, Contact Numbers, Bank details and PAN details are not furnished. Some applications are submitted even without signature of the members.

Please note that with immediate effect, applications which are incomplete are liable to be rejected.

All Distributors are required to ensure that the applications are complete in all aspects, and also advise the new members on completing the applications in our aspects.
