**Maintains the balance of moisture of skin dynamically and moisturizes the skin for long lasting effect.**

# WHITENING MOISTURIZING REVITALIZING MASK

## V·SHINE™

- Releases doses of Vitamin C and whitens the skin for a long lasting effect.
- Helps get rid of black heads from the skin surface and hence inhibits formation of melanin continuously. No unwanted spots visible.
- AA2G reacts with  $\alpha$ -Glucosidase when it enters the inner part of skin, completely blocks formation of melanin in the cells due to presence of Vitamin C.
- The potency of Vitamin C in AA2G is 10 times that of common Vitamin C.

# WHITENING MOISTURIZING REVITALIZING MASK

## V·SHINE™

- AA2G acts effectively after contacting cuticle and inhibits formation of new melanin and existing melanin.
- Prevents deposit of pigments and makes skin youthful and glowing.
- Tried, tested and regularly used the world over, V-Shine has the patronage of millions already.
